Instruments Calibrations Services

Alyamitech provides Instruments Calibration Services in range of products such as pressure instruments, temperature instruments, electrical instruments and gas monitors. With ISO 17025 accreditation, state-of-the-art equipment, experienced staff, and competitive pricing, customers can rely on accurate and reliable calibration.

Pressure Instruments

- Pressure Gauges
- Differential Pressure Gauges
- Pressure Transmitters
- Differential Pressure Transmitters
- Pressure Relief Valves
- Pressure Recorders
- Hydrotesting Manifolds

Temperature Instruments

- Temperature Gauges
- Thermometers
- Temperature Transmitter
- Infrared Thermometer
- Thermo-hygro Meter

Electrical Instruments

- Multimeters
- Clamp Meters
- Earth Ground Testers
- DLRO Meters

Gas Monitors

- Honeywell Gas Monitors (H₂S, CO, LEL, O₂)

On-site Instrumentation & Calibration Services

Alyamitech provides efficient on-site calibration for various instruments, reducing downtime. Equipped to handle hot loop tests and I&C packages, our large team can be mobilized at short notice. Our skilled engineers ensure accurate calibration and can set up on-site labs if needed. Our team is ready for prompt mobilization, offering full-time services even during plant maintenance.
